

Announcement

MilDef hereby announces the combined End-of-Life and End-of-Sale for the MilDef DS13.

It has proven impossible to get hold of more CPUs to this model, resulting in an immediate End of Sale of the MilDef DS13. Unfortunately, MilDef cannot fulfill our standard End of Life and End of Sale schedule with 6 months between, we are sincerely sorry for this situation and have taken steps internally to avoid a similar situation going forward. The MilDef DS16P is the replacement product that is available for sale in June 2026. Please let us know how we can support you in this situation.
