- 8.1 MilDef's Privacy Policy ("**Privacy Policy**") is located on MilDef's website at www.mildef.com/privacy. Therefore, no right, title or interest is transferred to Buyer by the Contract in the names, trademarks, trade secrets, patents, pending patents, expertise, copyright and other intellectual property rights relating to the Products. In particular, to the extent that software is embedded in a Product, the sale of such Product shall not constitute the transfer of ownership rights or title in such software to Buyer, but, subject to the provisions set forth herein, shall only imply a non-exclusive and non-transferable license to Buyer under MilDef's or its third party licensors' intellectual property rights incorporated in the Products (i) to use such software in conjunction with and as embedded in the Products as supplied by MilDef, and (ii) to use such Product in or in conjunction with products of Buyer.
- 9.2 The Product may contain open source software, the use of which is governed by the appropriate license conditions (the Open License Terms). MilDef is not obliged to make the source code of the software available to Buyer except as required by Open License Terms. MilDef may amend the list of open source software at any time. If there is a conflict between the conditions of this Contract and the Open License Terms, the Open License Terms shall prevail. No license fee is charged to Buyer by MilDef for the use of any such open source software. If required by the Open License Terms, MilDef will provide a copy of the source code (or an offer to provide such source code) of the open source software. Notwithstanding anything else to the contrary in this Contract, Buyer, acknowledges and agrees that MilDef provides no warranties and shall have no liability whatsoever in respect of Buyer's use of the open source software.
- 9.3 Except if explicitly otherwise provided in this article 9, Buyer shall not be granted any license, either directly or indirectly, by implication, estoppel, or otherwise, to any patent, trade secret, copyright and/or any other intellectual property right of MilDef. Buyer shall not make any use of the Information other than for the purpose of the Contract or, as the case may be, installing, operating and/or maintaining the Products. MilDef retains and shall retain full ownership of all inventions, designs and processes made prior to or during the course of performance of any Contract resulting therefrom.
- 9.4 Buyer shall keep the Information in strict confidence and shall not disclose any of the Information to any other person than Buyer's employees who need to know such Information for the purposes stated in article 9. Any other disclosure shall be subject to MilDef's prior written approval.
- 9.5 Subject to article 6, MilDef shall indemnify Buyer against any and all claims, costs, expenses or liability directly and solely arising out of the alleged infringement or infringement of patent, copyright, trade secret rights in the country where Buyer has its registered address as a consequence of the use by Buyer of the Products in accordance with their technical specifications, provided that Buyer shall promptly notify MilDef in writing of any claim, that no claim may be made after a period of one (1) year from the date of delivery of the Product giving rise to the claim, that Buyer shall provide all information and assistance required by MilDef concerning the claim or action, that Buyer shall give MilDef the opportunity to defend and settle under the responsibility of MilDef any lawsuit in this respect and that Buyer shall refrain from making any admission, declaration or arrangement with the third party raising such claims. The foregoing obligations to indemnify Buyer shall not apply to MilDef for any alleged infringement or infringement that is due to or based upon (i) the association or

combination of the Products with any other article, software, hardware, apparatus or device, and/or (ii) any alteration or modification of the Products which is not made by MilDef, or which is based upon a design supplied by Buyer.

- 9.6 Should a court or an arbitrator finally establish that there has been a patent infringement or should MilDef consider that the Products could be the subject of a claim or suit for infringement, MilDef may choose, at its option, either:
- to obtain the right for Buyer to continue using the Products, and/or
 - to substitute equivalent products for the infringing Products, and/or
 - to modify infringing Products so as to eliminate the infringement, and/or
 - to terminate the Contract.
- 9.7 The foregoing states the entire liability and warranty of MilDef with respect to the infringement of any patent, copyright, trademark or trade secret or of any intellectual property right by the Products or any part thereof.
- 9.8 Buyer on its part warrants that any design and/or instructions furnished or given by it shall not be such as will cause MilDef to infringe any intellectual property rights in the performance of the Contract. Buyer shall, in this respect, hold harmless and protect MilDef in the same way as provided under articles 9.5 and 9.6.

10. CONFIDENTIALITY

- 10.1 The Parties are obliged to keep confidential all information, business transactions and documents of the other Party, which have been obtained or received prior to entering into the Contract or which the Party will obtain or receive during the term of the Contract. The confidential information shall be treated with such care as the receiving Party applies to its own similar information, unless the circumstances require stricter measures.
- 10.2 The confidentiality obligation shall not apply if the information is publicly known, the information was already known by the Party upon receipt, the information was made available to the Party by third parties without obligation to maintain confidentiality, the information must be made available to third parties for the performance of the contractual obligation (e.g. subcontractors) and those third parties have been committed to secrecy.

11. TERMINATION

- 11.1 In addition to the termination rights otherwise specified in these General Terms and Conditions of Sale, either Party is entitled to terminate the Contract in writing if the other Party commits a material breach of the Contract, including repeated breach of the Contract, and (in the case of a remediable breach) fails to remedy the breach within thirty (30) days of the receipt of the notice. Such termination shall take effect upon the later of the expiry of such notice, or at the date specified in the notice.
- 11.2 In case of termination by MilDef according to articles 4.5, 7 or 9.6, MilDef shall have the right to either suspend the execution of a particular Order or this Contract as long as the breach is not satisfactorily remedied (when the breach may be remedied) or to terminate the Order and/or the Contract immediately, and this without prejudice to any other remedy to which MilDef may be entitled as per contractual provisions and/or at law.
- 11.3 In the event of termination of the Contract for any reason, the rights and obligations of the Parties under articles 5 (Warranty), 6 (Limitation of Liability), 7 (Trade compliance), 9 (Intellectual properties and documentation), 10 (Confidentiality) and 13 (Applicable law and settlement of disputes) shall remain in full force.

12. MISCELLANEOUS

- 12.2 The failure of either Party to strictly enforce any of the terms or conditions in any Contract will not be considered a waiver of any right herein. If any term is declared illegal, invalid or unenforceable to any extent, the remainder of the terms and conditions will not be affected thereby, and the illegal, invalid, or unenforceable provision shall be deemed replaced by a provision that is legal, valid and enforceable and that comes closest to expressing the commercial intention of the provision in question.
